The Birds (part 1)

The Weeknd

Ooh yeah
Oh you see it don't mean a thing to me
I've been doing this too long
Baby girl I've felt it all.
So watch out
If you try to play ur luck
Ain't nobody gonna care enough
To catch you fall.
(chorus)
So don't you fall in love

Don't make me make you fall in love
Don't make me make you fall in love with a nigga like me
Nobody needs to fall in love.
Cuz girl I'm just a bird
Cuz girl I'm just another bird
Dont make me make you fall in love with a nigga like me, like me
Whooaa you tried
You tried to warn me, but baby i'm warning you
Girl I'll show you, this is no game
You'll be falling to the point of no return, no return
(chorus)
