Keep It Up

Mark Collie

I don't know what it is that you're doin' to me but keep it up
You've got me acting crazy as a man can be but keep it up
No matter what I do, no matter what I say
Girl, I wouldn't have it any other wayI think I'm fallin' in love so keep it up
Keep it up, keep it up, keep it comin' on strong
Keep it up honey, hold me all night longYou've got me feelin' higher than a mountain top
I'll give you the rest of my life to stop don't stop
Don't stop baby, whatever you do
You know my heart is depending on youI think I'm fallin' in love so keep it up
Keep it up, honeyI can't believe you got me falling in this deep but keep it up
I even love the way you've got me losin' sleep so keep it up
No matter what you hear no matter what you see
Girl, keep a weavin' that spell on meI think I'm falling in love so keep it up
Keep it up, keep it up [unverified]
