

# Adore

**Melinda McGlasson**

Chorus: Adore, adore abandoned all to Thee, My King, One Desire, You are most Holy. I bring to You this offering, all I have is Yours...Adore.

Verse 1: Faithful, giving, wonderful are Your ways, awesome, forgiving, Ancient of days. Healer, Restorer, forever You will reign, Mighty strong tower, Name above all Names

Verse 2: Joy, peace, let the praises ring, Power, glory, He is the King of King. Death, defeated, His sacrifice completed, Break every chain, there is no other name! (Repeat Chorus) Bridge: All around the Angels cry, "Holy are You Lord," We join with them and sing, "Worthy and Adored."
