You Got Me Dizzy

The Head Cat

Listen ta me baby, what I said is right
I'll leave home in the mornin' baby
But I can't stay out all night
'Cause you got me dizzy
Yeah, you got me dizzy
Yeah, you got me dizzy
And I can't even see my way
Let me tell you baby, what I say is true
I ain't never, never loved nobody
In the way that I love you
Now, you got me dizzy
Whoa, you got me dizzy
Yeah, you got me dizzy
And I can't even see my way(I hear you)
Let me tell you baby, what I say is true
I ain't never, never loved nobody
In the way that I love you
Now, you got me dizzy
Whoa, you got me dizzy
Yeah, you got me dizzy
And I can't even see my way
