What Do I Have

Heather Small

Used to wake up every morning
Getting ready to go to work
Felt the pain, I can't deny
Knew what I wanted but it's hard to findAll the time holding out for a love that I deserve
And the tears they finally dried
The moment you came into my lifeIn my heart, I can feel it
In my mind, I can see it
I just have to believe it
What do I have if I don't have you?Oh, I really can't believe
How much my life has changed
When I look into your eyes
All my fears are swept awayNow I wake up every morning
And see a brand new day
Through the struggle I'll survive
A moment with you renews my faithIn my heart I can feel it
In my mind I can see it
And you make me believe it
What do I have if I don't have you?Be my guide when I need one
Shine your light show me freedom
Now I know there's a reason
What do I have if I don't have
What do I have?Every minute, every second, every day
Tell the truth
And I'm not ashamed to say
I live for your loveWhat do I have? You gave me hope
When I was out in the cold
You're all that matters to my heart
And to my soul I live for your loveWhat do I have
What do I have if I don't have you?
If I don't have you?In my heart I can feel it
In my mind I can see it
And you make me believe it
What do I have?You're my guide when I need one
Shine your light show me freedom
Now my life has a reason
What do I have? What do I have
If I don't have you?
