The Lunatic Fringe

Spiritual Beggars

Demon rising slowly
Or is it all in my mind?
A reflection twisted
He knows me all too wellA face in the mirror
A man I do not know
Hopes and aspirations
A thousand broken promisesFear is growing slowly
Its drowning, killing my soul
Waiting, contemplating
The demon is rebornA face in the mirror
A man I do not know
Hopes and aspirations
A thousand broken promisesA face in the mirror
(In the mirror)
A man I do not know
(Do not know)Hopes and aspirations
(A thousand)
A thousand broken promises
