

Keep Goin'

Chali 2na

[Chorus]

So long as the sun shows up to play each day, Keep Goin?
No matter if I make my mark or fail, Just Keep Goin?
Even though we set the standard how, so high
We still aint reached the sky, so there?s nothing to do but Keep Goin?

[Verse 1: Chali 2na]

Hey ____ pass the spinach
Ima break glass and push past the limits
Friendship shared between cats diminished
Now Im movin like I just got my bus pass replenished
No road block, (??) I protect my whole block
Like a leprechaun and his gold pot
And im not gonna stop
Till I reach What I perceive as the top
No matter the obstacle I gots to Keep Goin

[Chorus]

So long as the sun shows up to play each day, Keep Goin?
No matter if I make my mark or fail, Just Keep Goin?
Even though we set the standard how, so high
We still aint reached the sky, so there?s nothing to do but Keep Goin?

[Verse 2: Chali 2na]

This is a race to waste nature
In the pursuit to chase paper
Leavin the loot you play it safe as you chase the undertaker
Never gave praise to the creator who made you (Keep Goin)
I was hit with hardships, practice
Now im tight as a lit cigar tip
And I spit some bizarre shit over big guitar riffs
And hit the target on some shot in the (??) shit
Love can make your heart rather see through
Delicate till it defeats you
Raw edict lethal
My hustle reflects my people
When I speak, you get lifted as heat in D2

[Chorus]

So long as the sun shows up to play each day, Keep Goin?

No matter if I make my mark or fail, Just Keep Goin?
Even though we set the standard how, so high
We still aint reached the sky, so there?s nothing to do but Keep Goin?

[Verse 3: Choklate]

Somebody asked me how I was doin?
Im fine things (????)
Aint nothing wrong or right about it
Turn on the light and please shine bright
That star out there is the (?)
And even when you don?t do what you should
Pull yourself back and Keep Goin, Keep Goin

Verse 4(Chali 2na)

Draft the plan, set the standard
Before those with jealous intent test your manhood
Never gets your hand?s dipped in slander
Even under pressure come fresher than canned goods
Man Listen, what you think I?m supposed to just give in?
Stressed, never come out those just sit in?
Asleep, Snoring, rather be flowing or be (?ing)
Knowing that I sow what I reap but I got to (Keep Goin)

[Chorus]

So long as the sun shows up to play each day, Keep Goin?
No matter if I make my mark or fail, Just Keep Goin?
Even though we set the standard how, so high
We still aint reached the sky, so there?s nothing to do but Keep Goin?

[Verse 5]:

Hey, Hey, Keep Goin, it don?t matter where you (??)
I fell on my face today, it don?t matter much I?m about to play
Keep Goin
