

Like Hypa Said (Remastered)

Scooter

Nobody's invincible, no plan foolproof
But keep in mind we're rocking under
The same roof Bass fire's gonna take you higher Once again! You got a horn in your hand,
Got a whistle round your neck,
That's all you need for our next attack
Don't need a knife
Don't need a gun
Like Hypa said
We just want some fun Don't need a knife
Don't need a gun
Like Hypa said
We just want some fun
Yeah! Me no follow no rumor, me say it's lonely
At the top!
Actions have reactions
So don't be quick to judge
Got the break [Chorus]
Flowing streets of fantasy
Come from deep inside
Substitute for memories
Dreams I have to hide You got a horn in your hand,
Got a whistle round your neck,
That's all you need for our next attack
Don't need a knife
Don't need a gun
Like Hypa said
We just want some fun Don't need a knife
Don't need a gun
Like Hypa said
We just want some fun
Yeah! Me no follow no rumor, me say it's lonely
At the top!
Actions have reactions
So don't be quick to judge
Got the break [Chorus]
