

# Wrap Your Arms Around Me

[Agnetha Fältskog](#)

Wrap your arms around me When you're so far away at the end of each day  
Counting the moments till you fade away  
Inside my soul, under passion's control  
Are feelings I can't find the words to explain  
Just like the first time I'm helpless again Wrap your arms around me let your love surround me  
Make love to me now like never before  
Wrap your arms around me from the day you found me  
You'll never be alone The nights are so cold with just your memory to hold  
I've tried to be strong, reaching out holding on  
Alone in my bed, I cling to each word you said  
Wanting you more everyday we're apart  
And each precious moment is safe in my heart Wrap your arms around me let your love surround me  
Make love to me now like never before  
Wrap your arms around me from the day you found me  
You'll never be alone
