

# What the H\*\*l Do You Want

112

Tsk, why you gotta act like that? When I say that I love you  
You ask me what I want?  
When I try to care for you  
You say I'm tryin' to front And when I try to listen to you, oh baby  
You take it as a joke  
And when I try to give you good advice, yeah, yeah  
You swear that I don't know So what the hell do you want? Uh baby?  
What the hell do you want, from me?  
What the hell do you want? I need to know  
What the hell do you want, baby? What the hell do you want from me? Yeah, oh, yeah  
Yeah, baby, tell me?  
What the hell do you want from me? Yeah  
Listen here, baby, I need to know right know, tell me how? When I try to make love to you, oh, yeah, yeah,  
yeah, yeah  
You tell me not tonight  
And when I wanna touch you, oh, ho, baby, yeah  
You say now is not the time And when I wanna hold you, oh  
You tell me you need space  
But you just said I wasn't affectionate enough  
That's what you told me yesterday So what the hell do you want? Lord have mercy  
What the hell do you want, from me? Yeah  
What the hell do you want?  
I don't know what else to do, yeah, yeah What the hell do you want from me, baby? Yes  
I don't know what  
What the hell do you want from me  
Yeah, yeah, oh, ooh, yeah Listen, you're tryin' to deceive me  
You're tryin' to mislead me  
Yes, yes, yes, yes  
You didn't appreciate what I was doin'  
So girl, I'm just gonna keep movin' You can't hurt me no more, yeah  
So I'm walkin' out that door  
Said, you can't hurt me no more  
So I'm walkin' out that door
