Love Is

Mansun

Love is everything I want, I never knew it
Love is everything I seek, just realised
That the obvious is hard to find, I never saw it
Something's right there in your face, you look and
Love is mine, I'm too selfish
But I got no time, it's essential that
Love is mine (love is powerful), love is powerful
Solitude gets dull with time
Love is mine, I'm too selfish
But I got no time (it's essential that love is mine), it's essential
That love is mine (love is powerful), love is powerful
Solitude gets dull with time
Love is everything I crave, ashamed to say it
Love is everything I've missed, I'll drop my guard
But love is so essential, I'll never have it
Love will be the death of me, you look and
Love is mine, I'm too selfish
But I got no time, it's essential that
Love is mine (love is powerful), love is powerful
Solitude gets dull with time
Love is mine, I'm too selfish
But I got no time (it's essential that love is mine), it's essential
That love is mine (love is powerful), love is powerful
Solitude gets dull with time
Love is precious and it's scarce, I'll never find it
Love will save us all but will cause all my problems
Love is so frustrating but I've got to have it
Love it has no rationale but still I chase it
You look and...
Love is mine, I'm too selfish
'Cause I've got no time, it's essential that
Love is mine, love is powerful
Solitude gets dull with time
Love is mine, I'm too selfish
But I got no time (it's essential that love is mine), it's essential
That love is mine (love is powerful), love is powerful
Love is powerful (love is powerful), in life, yeah
