Someone to Watch Over Me

Oscar Peterson

There's a saying old says that love is blind Still were often told, seek and ye shall find So I'm going to seek a certain lad I've had in mind Looking everywhere, haven't found him yetHes the big affair I cannot forget Only man I ever think of with regret I'd like to add his initial to my monogram Tell me, where is the shepherd for this lost lamb? There's a somebody I'm longing to see I hope that he turns out to be Someone who'll watch over me I'm a little lamb who's lost in the wood I know I could always be good Someone who'll watch over meAlthough he may not be the man some Girls think of as handsome To my heart he carries the key Won't you tell him please to put on some speed Follow my lead, oh, how I need Someone to watch over me
