Waking up the Neighbours

Sinnergod

I can't help feeling that you're getting in the way
Your stupid dress, so unimpressed, your waking up the neighbours
I guess you think that you are better than everyone?
Its just like you, I'm such a fool, your waking up my neighboursSo why don't you come with me?
And show me things I've never dreamed of
And while you are here with me
Make me feel that this aint overI cannot feel like this, there's something come over me
Can't believe its real
I just fall to my kneesYour daddy told you to look after number 1
That's all you've done so what's the point in waking all the neighbours?
Still I can't help but feel you're getting in the way
And just like you I'm such a fool for waking up the neighboursI cannot feel like this, there's something come over me
Can't believe its real
I just fall to my kneesI cannot feel like this, there's something come over me
Can't believe its real
I just fall to my kneesI cannot feel like this, there's something come over me
Can't believe its real
I just fall
