

Lovesick

Sweet Talk Radio

I'm lovesick, sick of love
My heart's just about had enough
I'm tired of games and all that stuff
I can't find no one to fall in it with
I'm lovesick, sick of loveEverybody's got a song
It serenades the night along
But some melodies rise and fall in minor keys
Missing harmonies
I'm lovesick, sick of love
My heart's just about had enough
I'm tired of games and all that stuff
I can't find no one to fall in it with
I'm lovesick, sick of lovePoets and philosophers
Write it down in prose and verse
They give you something you can quote to someone else
If you think it helpsMe, I'm lovesick, sick of love
My heart's just about had enough
I'm tired of games and all that stuff
I can't find no one to fall in it with
I'm lovesick
Some folks put the bottle down
The day they wake up on the ground
I never drank much but I know how it feels to drown
Trouble out
