Green, Green

Eddy Arnold

Green green it's green they say on the farside of the hill
Green green I'm going away to where the grass is greener stillWell I told my mama on the day I was born
Don't you cry when you see I'm gone
You know there ain't no woman gonna settle me down
I just gotta be travelin' onGreen green it's green they say...Oh there ain't nobody in this whole wide world
Gonna tell me how to spend my time
I'm just a good lovin' ramblin' man
Say buddy could you spare me a dimeGreen green it's green they say...Well I don't care when the sun goes down
Where I can lay my weary head
Green green valley or rocky road
It's where I'm gonna make my bedGreen green it's green they say...To where the grass is greener still
To where the grass is greener still
