

# Fear To Feel

## Alvarez Kings

I was thinking of you,  
While you were thinking of me,  
But i've been loving the thought  
Since you imaged the dark  
When you cut off my call, Trying to fight the demons in my head,  
Sleep this off tomorrow, start again We were almost there  
But my feet won't touch the ground  
What was there, it's no long about  
We were almost there  
But your feet won't touch the ground  
Am I a ghost, to these strangers now Is anybody out there,  
I'm trying to have the tide to pull me in  
It's slowly sinking deeper,  
But I won't gasp for on more breath
