

If It Wasn't For Hate, We'd Be Dead By Now

Lostprophets

If it wasn't for hate
We'd be dead by now
If it wasn't for truth
We'd have taken our bow
If it wasn't for love
We'd have faded away
If it wasn't for hate, baby
I'd have lost out today
It won't kill me
You can't stop me
It won't kill me
You can't stop me
It won't kill me
You can't stop me
It won't kill me
If it wasn't for death
I know I'd never feel this alive
If it wasn't for lies
I probably wouldn't survive
If it wasn't for damn hypocrisy
I wouldn't have to sing this song
If it wasn't for patience, baby
I couldn't wait it out this long
I'm killing everything you know
I'm killing everything you know
I'm killing everything you know
I'm killing everything you know
