Go With God

Carolyn Arends

Farther than lands you have ever imagined
Deeper than even the oceans of blue
An open horizon is waiting like morning
Waking the dreamer who's living in youSo now go with the wind at your back
And the sun on your face
With a song in your heart
And the promise of graceGo in peace and in truth
And let love lead your way
Go with God
Go with GodStronger than will in the soul of a fighter
Higher than hope in the heart of a child
There is a longing, a yearning inside us
That's reaching for Heaven and won't be deniedIf you go with the wind at your back
And the sun on your face
With a song in your heart
And the promise of graceGo in peace and in truth
And let love lead your way
Go with God
Go with GodGo with the wind at your back
And the sun on your face
With a song in your heart
And the promise of graceGo in peace and in truth
And let love lead your way
Go with God
Go with God
Go with God
