

Evil Eye

Ash

She's giving me the evil eye
A poison smile
Asking if I will stay a while
I made a promise to the night
In blood I signed the line Giving me the evil eye, I can't deny
Oh the girl, she's so damn fine
Divine, so fine
Bound through all space and time
Shivers running down my spine
Giving me the evil eye, she's mine Sinister parasite, she occupies
Every little space inside, my mind
Corrupt thoughts here enshrined
So clandestine, sublime Giving me the evil eye, I can't deny
Oh the girl, she's so damn fine
Divine, so fine
Bound through all space and time
Shivers running down my spine
Giving me the evil eye, she's mine Yeah love is pain and love is blind
You don't know when you cross that line
Pretty soon you're intertwined
With this girl
Thunder rolls and lightning strikes
But you don't know what it's like
To be all torn up inside, in this world Giving me the evil eye, I can't deny
Oh the girl, she's so damn fine
Divine, so fine
Bound through all space and time
Shivers running down my spine
Giving me the evil eye, she's mine
All mine yeah
Promised to the valentine
Forever when the twelve bells chime
Giving me the evil eye, she's mine
