Ghost in the Machine

The Haunted

A barren Wasteland.
Covered with Blood and Dust.
The Remnants of A swift Uprising.
Non-Human Usurpers to our Throne.The Ghost in the Machine.
The End of Days.
The Ghost in the Machine.
Our Time has come.Mankind has fallen.
Our Future is frozen in Time.
The Past is all but forgotten
But at the Heart of the Monoliths lies the Key to Salvation.
The Ghost in the Machine.
The End of Days.
The Ghost in the Machine.
Our Time has come.A Cure is found inside us all to free us from the enslaving Cult.
Their Legions on A Funeral March, Mankind is cheating Death.
The Ghost in the Machine.
The End of Days.
The Ghost in the Machine.
Our Time has come.
