

Me

Jo Dee Messina

I'm somebody's daughter
Somebody's friend
A shoulder to lean on
No matter when I'm somebody's teacher
When they don't understand
Got a seat in the bleachers
I'm the world's biggest fan OH, Well I wish I was half the woman
I've got to be (I've gotta be)
Wish I had all the answers right in front of me
I'm everything to everyone
And I'm scared as I can be
Cause when I look into the mirror
All I see is Me I'm somebody's sweetheart
Somebody's girl
Someone's direction
To find their way in this world
And I've got to be perfect
Even when I feel bad
I've got to keep giving
When I gave all I have OH, well I wish I was half the woman
I've got to be (I've gotta be)
Wish I had all the answers right in front of me
I'm everything to everyone
And I'm scared as I can be
Cause when I look into the mirror
All I see is Me Oh When I feel uncertain
I'm on my knees to pray
I know that it is all worth it
And that at the end of the day I wish I was half the woman
I've got to be (I've gotta be)
Wish I had all the answers right in front of me
I'm everything to everyone
And I'm scared as I can be
Cause when I look into the mirror
All I see is somebody's daughter,
somebody's girl,
someone's direction
To find their way in this world.
