**John P. Kee**

We're moving higher to our promise, our destiny  
No one can hinder what the Lord God has stored for me  
His promises are sure, don't give up, you must endure  
Keep reaching and believe the kingdom is yours for sure I'm pressed toward the mark of the high calling in  
Jesus' name  
Surely goodness and mercy shall take me higher Let's go higher, higher, higher, let's go higher, higher in God  
(level next)  
Let's go higher, higher, higher, let's go higher, higher in God We're moving higher to our promise, our destiny  
No one can hinder what the Lord God has stored for me  
His promises are sure, don't give up, you must endure  
Keep reaching and believe the kingdom is yours for sure I'm pressed toward the mark of the high calling in  
Jesus' name  
Surely goodness and mercy shall take me higher Let's go higher, higher, higher, let's go higher, higher in God  
(level next)  
Let's go higher, higher, higher, let's go higher, higher in God
