Come Back to Me

Axel Rudi Pell

He was born with a six - string
Not a shotgun in his hand
And he walked across the water
To reach the promised landAnd he searched for the future
For the meaning of our lives
Hearing echoes in the distance
Telling love's so hard to findCatch the storm
Don't wait until the dawn
Catch the storm
Without you I feel so sad,
Feel so sadThere were endless days and nights
Where our love turned into ice
But the flame's inside still burnin'
Broken dreams in paradise
