

# Come Back to Me

**Axel Rudi Pell**

He was born with a six - string  
Not a shotgun in his hand  
And he walked across the water  
To reach the promised land And he searched for the future  
For the meaning of our lives  
Hearing echoes in the distance  
Telling love's so hard to find Catch the storm  
Don't wait until the dawn  
Catch the storm  
Without you I feel so sad,  
Feel so sad There were endless days and nights  
Where our love turned into ice  
But the flame's inside still burnin'  
Broken dreams in paradise
