Sleepin'

Relient K

This spring is gonna be the best one since 1981
Or so they've all been sayin' that
Might just buy me one of them Maine Coon cats
And serenade him basking in the sun on my front porchI'm not sleeping tonight
Sit back and watch the sunset work its magic
In its own true light
I'm not sleeping tonight
So come on over
You'll make a bud of lettuce salad
With all natural ingredients, except for cottage cheese
Its from the factories at our grocery store
We'll stock their coolers them
That we'll pick up sometimes when we are lowI'm not sleeping tonight
Sit back and watch the sunset work its magic
In its own true light
I'm not sleeping tonight
So come on overMaybe I'll just slip into the moonlight
And catch a trail of stardust in your eyes
Ohh
Maybe I'll just fall ever more in love with you
Maybe I'll just fall
I'm not sleeping tonight
Sit back and watch the sunset work its magic
In its own true light
I'm not sleeping tonight
So come on over
So come on over
