

Livin' In the Future

Bruce Springsteen

A letter come blowin' in
On an ill wind
Somethin' 'bout me and you
Never seein' one another again
And what I knew had come
Stars struck deaf and dumb
Like when we kissed
That taste of blood on your tongue
Don't worry, darlin'
No baby, don't you fret
We're livin' in the future
And none of this has happened yet
Don't worry, darlin'
No baby, don't you fret
We're livin' in the future
And none of this has happened yet
Woke up election day
Sky's gunpowder and shades of grey
Beneath the dirty sun
I whistle my time away
Then just about sun down
You come walkin' through town
Your boot heels clickin' like
The barrel of a pistol spinnin' round
Don't worry, darlin'
No baby, don't you fret
We're livin' in the future
And none of this has happened yet
Don't worry, darlin'
No baby, don't you fret
We're livin' in the future
And none of this has happened yet
The earth it gave away
The sea rose towards the sun
I opened up my heart to you
It got all damaged and undone
My ship Liberty sailed away
On a bloody red horizon
The groundskeeper opened the gates
And let the wild dogs run
[Instrumental]
Alone I limp through town
A lost cowboy at sundown
Got my monkey on a leash
Got my ear tuned to the ground

My faith's been torn asunder
Tell me is that rollin' thunder
Or just the sinkin' sound
Of somethin' righteous goin' under
Don't worry, darlin'
No baby, don't you fret
We're livin' in the future
And none of this has happened yet
Don't worry, darlin'
No baby, don't you fret
We're livin' in the future
And none of this has happened yet
None of this has happened yet
None of this has happened yet
None of this has happened yet
None of this has happened yet
[Instrumental]
Na na na na, na na na na-na
Na na na na, na na na na-na
Na na na na, na na na na-na
Na na na na, na na na na-na
Na na na na, na na na na-na
Na na na na, na na na na-na
[fades]
