

'Til I Gain Control Again

[This Mortal Coil](#)

Just like the sun over the mountain top
You know I'll always come again
You know I love to spend my morning times
Like sunlight dancing on your skin What you see is what I've been
There is nothing I could hide from you
You see me better than I can
Out on the roads that lies before me now
There are some turns where I will spin
I only hope that you can hold me now
'til I can gain control again Like a lighthouse you must stand alone
And mark a sailor's journey's end
Nno matter what seas I have been sailing on
I'll always row this way again Out on the roads that lie before me now
There are some turns where I will spin
I only hope that you can hold me now
'til I can gain control again I only hope that you can hold me now
'til I can gain control again
