

# Through The Cracks

Lori Carson

If I knew the way  
Then I would show you  
But I don't know the way  
I don't know the way  
I don't know the way  
So how can I help us

I love you baby  
But I don't know how we'll make it  
Don't know how we'll make it  
Don't know how  
I love you baby  
But I'm falling through the cracks  
I'm feeling kind of lost  
And I can't make it back

If I could laugh  
Or let it roll off my back  
But I am not like that  
I am not like that  
I'm just not like that  
To laugh or let it roll off my back

I love you baby ~~~~~

If I could believe  
In a God who loves us  
Then I would believe  
Maybe I'd believe  
But I cannot believe  
In a God who loves us

I love you baby  
But I don't know how we'll make it  
Don't know how we'll make it  
Don't know how  
I love you baby  
But I'm falling through the cracks  
I'm feeling kind of lost  
And I can't make it back

I still love you  
But I don't know who you are  
Or what we aimed for  
Or what we said  
I still love you  
But I'm falling through the cracks  
I'm falling through the cracks  
I'm falling through the cracks  
And something's wrong  
Something's wrong  
Something's wrong
