

# Desnudate

## Christina Aguilera

What's is your indulgence, tell me what's your vice?  
Do you like it naughty? Do you like it nice?  
(Dime tus fantasias)  
I'm you're supplier of lust, love and fire tonight  
(Estas listo?)  
All you desire is yours if the asking is right  
Vamonos, so just doDesnudate, get naked  
Desnudate, for me  
Desnudate, get naked, oh  
Desnudate, get naked  
Desnudate, for me  
Desnudate, get nakedOh, quitate la ropa, librase ahora  
Quitate la ropa, librase ahoraWhisper all your fetishes inside my ear  
(AsÃ- me gusta, papi)  
My domain is shame free so lose your fear  
(AmÃ;rrame)  
Nothing's too much or too little, too soft or severe  
(No pares)  
Madame seduction has only one rule while you're here  
(You got to)Desnudate, get naked  
Desnudate, for me  
Desnudate, get naked, oh
