

# Boogie All Day

Alvin Lee

Well I've got a gal - she lives up on the hill  
Yes, I've got a gal - she lives up on the hill  
Sometimes she won't - but then sometimes she will  
Gonna boogie all day, gonna boogie all night  
Hold on tight, got to do it right - gonna boogie all night Well I can't tell you - why I feel this way  
No, I can't tell you - why I feel this way  
I fall in love - at least five times a day  
Gonna boogie all day, gonna boogie all night  
Hold on tight, got to do it right - gonna boogie all night Gonna boogie all day, gonna boogie all night  
Hold on tight, got to do it right - gonna boogie all night  
Gonna boogie all day, gonna boogie all night  
Hold on tight, got to do it right - gonna boogie all night  
Boogie All Night! Gonna boogie all day, gonna boogie all night  
Hold on tight, got to do it right - gonna boogie all night  
Gonna boogie all day, gonna boogie all night  
Hold on tight, got to do it right - gonna boogie all night  
Yeah, Yeah, Yeah
