Bad Things

Chanel West Coast

Chorus: I put you on a fuckin pedestal, takin over losing all control. And we high on some medical. Doing shit I've never done before. (Doing bad things doing bad things, you got me doing got me doing bad things x2)He the type to fly you out for a weekend in London
He the type to have sex while the engine running
He the type to call you up at 2 in the morning
Then the type to wake you up with eggs and a muffin
He the type to take you out and show you off
Take you home no talk break you off
He the type to tell you what up with his Louis veel
He the type to close off never know why we fellAnd I'm runnin runnin like a rat in this bitch
He got a hold of me like a trap in this bitch
And i'm going no and coming no mat to this shit
He my drug and i keep coming back for a fix keep coming back keep coming back for a fix (keep coming back keep coming back for a fix) What the fuck is this?? I'm losing my grip like I fell off a cliff.Chorus: I put you on a fuckin pedestal, takin over losing all control. And we high on some medical. Doing shit I've never done before. (Doing bad things doing bad things, you got me doing got me doing bad things x2)Go rap for rap till I need a glass of water
Fuck timmy tim like we're runnin from the border
Bed makin sounds you're harder than a boulder
You bout to drown got my legs on your shoulders
Got me doing bad things, breakin all the rules
Feelin like I'm 16 and I'm back in schoolBad ass bitch so I know you want it
Grab on this so I know you want it
Bite my lips so you know I love it
Talk that shit yeah you know I love it
Fuck that shit don't quit I'm on it
Look for wit like you lost your wallet
Shit that six when I jumped up on it
Took those pics when I jumped up on itFrom you beanie down to your shoes (to your shoes)
Green eyes and your tattoos (your tattoos)
Hand on my lap we riding through (riding through), already know what we bout to doChorus: I put you on a fuckin pedestal, takin over losing all control. And we high on some medical. Doing shit I've never done before. (Doing bad things doing bad things, you got me doing got me doing bad things x2)
