## Pink Floyd

You got to be crazy, you gotta have a real need  
You gotta sleep on your toes and when you're on the streets  
You gotta be able to pick out the easy meat  
With your eyes closed  
Then moving in silently, down wind and out of sight  
You gotta strike when the moment is right without thinking  
And after a while, you can work on points for style  
Like the club tie and the firm handshake  
A certain look in the eye, an easy smile  
You have to be trusted by the people that you lie to  
So that when they turn their backs on you  
You'll get the chance to put the knife in  
You gotta keep one eye looking over your shoulder  
You know it's going to get harder  
Harder, harder as you get older  
And in the end you'll pack up, fly down south  
Hide your head in the sand  
Just another sad old man, all alone and dying of cancer  
And when you lose control you'll reap the harvest you  
have sown  
And as the fear grows, the bad blood slows and turns to stone  
And it's too late to lose the weight  
You used to need to throw around  
So have a good drown as you go down all alone  
Dragged down by the stone  
I gotta admit that I'm a little bit confused  
Sometimes it seems to me as if I'm just being used  
Gotta stay awake gotta try and shake off  
This creeping malaise  
If I don't stand my own ground  
How can I find my way out of this maze?  
Deaf, dumb and blind, you just keep on pretending  
That everyone's expendable and no one has a real friend  
And it seems to you the thing to do  
Would be to isolate the winner  
And everything's done under the sun  
And you believe at heart, everyone's a killer  
Who was born in a house full of pain?  
Who was trained not to spit in the fan?  
Who was told what to do by the man?  
Who was broken by trained personnel?  
Who was fitted with collar and chain?  
Who was given a pat on the back?  
Who was breaking away from the pack?  
Who was only a stranger at home?  
Who was ground down in the end?

Who was found dead on the phone?  
Who was dragged down by the stone?  
Who was dragged down by the stone?
