

# All My Love

## American Music Club

Gets all my love  
Gets all my love  
Gets all my love  
Gets all my love  
Pick up the pace, keep it, freak it  
Can ya keep a secret, so can I  
Why ask why, try Bud dry  
I get fly smokin' a Thai  
Puffin' a blunt, token' a spliff  
Stoppin' any crew that tries to rip  
The house of pain, Cypress Hill  
Funkdoobiest, my girl's on the pill  
So I can drill, and not have to kill  
An unborn child 'cause that's just wild  
I felt the pain, I built the house  
All respect due to Mickey Mouse  
Club, I'm rhymin' on the dub  
Switch off the track so I can shout out my love  
Yea, you know my mother, she gets all my love  
My sister Casandra, my niece Jessica Rose, they get all my love
