One Of Us Gotta Leave

Alyssa Bernal

[Alyssa]
I thought I didnt care
Wasnt looking anywhere
Suddenly my world turns and I see you standing there
I quickly turn away, what was I to say?
You didnt have to speak because we both knew anyway[Both]
And I should be saying no, no, no, no!
You got me going oh, oh, oh, oh, oh, oh!One of us got to leave this room cause its getting too hot in here
Party keeps going on and on but it all just disappears
One of us got to leave this room cause we know we cannot stay
Too many people in this place, (no so) when can we get away, get away?[Alyssa]
You take me by surprise, and ask me for my hand
I really must collect myself before I understand
And suddenly we dance, cant remember how it happened
Its like only you and me I swear Im in a trance[Both]
And I should be saying no, no, no, no!
You got me going oh, oh, oh, oh, oh, oh!One of us got to leave this room cause its getting too hot in here
Party keeps going on and on but it all just disappears
One of us got to leave this room cause we know we cannot stay
Too many people in this place, (no so) when can we get away, get away?[Pharrell]
So whats it gonna be?
Is it gonna be you or me that leaves?
Is it gonna be you or me or you that leaves the room?
I bet youre wondering, what will I do?
If I choose to leave or choose to see the moon[Pharrell] I think its gonna be you
[Alyssa} Its gonna be you
[Pharrell] No, no, no, its gonna be you
[Alyssa] No, it's not gonna be me, its gonna be you!
[Pharrell] Trust me, youll see, no, no, no, no...
[Alyssa] No, no...
[Pharrell] Alright.
[Alyssa] Alright, lets go.[Both]
And I should be saying no, no, no, no!
You got me going oh, oh, oh, oh, oh, oh!One of us got to leave this room cause its getting too hot in here
Party keeps going on and on but it all just disappears
One of us got to leave this room cause we know we cannot stay
Too many people in this place, (no so) when can we get away, get away?One of us got to leave this room cause its getting too hot in here
Party keeps going on and on but it all just disappears

One of us got to leave this room cause we know we cannot stay
Too many people in this place, (no so) when can we get away, get away?
