The Metal

Tenacious D

You can't kill the metal

Metal will live on

Punk Rock tried to kill the metal

But they failed as they were smite to the groundNew Wave tried to kill the metal But they failed as they were stricken down to the ground

Grunge tried to kill the metal

They failed as they were thrown to the groundNo one can destroy the metal

The metal will strike you down with a vicious blow

We are the vanquished foes of the metal

We tried to win for why, we do not knowNew Wave tried to destroy the metal But the metal had its way

Grunge, then tried to dethrone the metal
But metal was in the wayPunk Rock tried to destroy the metal
But metal was much too strong
Techno tried to defile the metal
But Techno was proven wrongMetal, it come from Hell
