## **Demons**

## **Kenny Chesney**

Sometimes they're in a bottle Sometimes a pair of high-heel shoes Some come rolled in paper Some have six strings and only play the blues Once you've met the Devil There ain't no way he'll let you be When I'm not chasing demons There's demons chasing me The skeletons in closets Ghosts underneath the bed They hide out in pictures And words better left unsaid They hang around like perfume And haunt me like an ancient melody When I'm not chasing demons There's demons chasing me There's things that I can't leave alone 'Cause they won't leave me alone 'Cause what I want ain't what I need Still I reach for the things I crave And better try to run away Maybe I'm afraid of being free 'Cause when I'm not chasing demons There's demons chasing me So roll one up and light it Pick up my old guitar

I'm playing 'Crossroads'
Drinking whiskey from a mason jar
There's heartache at my front door
Says she needs my company
When I'm not chasing demons
There's demons chasing me
There's things that I can't leave alone
'Cause they won't leave me alone
What I want ain't what I need
Still I reach for the things I crave
Better try to run away
Am I afraid of being free? You tell me

'Cause when I'm not chasing demons
There's demons chasing me
When I'm not chasing demons
There's demons chasing me
There's demons chasing me
When I'm not chasing demons
There's demons chasing me
There's demons chasing me
There's demons chasing me
There's demons chasing me
When I'm not chasing me
There's demons chasing me
There's demons chasing me
When I'm not chasing demons
There's demons chasing me
