

# all consuming fire

[AmberJane](#)

All-consuming fire, You're our heart's desire  
Living flame of love, come baptize us, come baptize us (6x)

Let us fall more in love with you (4x)

We wanna know how high how deep how wide is

Love Love Love (4x)

How high is your love

How wide is your love

How deep is your love for us

How deep is your love

We wanna know how high how deep how wide is

Love Love Love (4x)

Let us fall more in love with you (7x)

Let us fall more in love with you, Lord

Let us fall more in love with you
