

Shit Song (Fritz Radio Concert iTunes Session)

Kate Nash

It is like I'm always thinkin' to myself
I'd like to meet someone else
It is like I'm always thinkin' to myself
I'd like to meet someone elseDarlin', don't give me shit
'Cause I know that you're full of it
You're full of shit, you're full of shit
Darlin', don't give me shit
'Cause I know that you're full of itI'm sittin' with my friends
Gettin' drunk again on wine and I think about you
I'm sittin' with my friends
Gettin' drunk again on wine and I think about youAnd darlin', you have to think about yourself
All the time, you're full of shit and now you're gone
Be it barren, have to be so up, so fool the timeYou could come 'round mine
We could drink some wine
In the summertime
It could be quite niceYou should come 'round mine
We could drink some wine
In the summertime
It could be quite niceActually
I think I might just have the bottle to myselfDarlin', don't give me shit
'Cause I know that you're full of it
You're full of shit, you're full of shit
Darling, don't give me shit
'Cause I know that you're full of it
You're full of it, you're full of itDarling, don't give me shit
'Cause I know that you're full of it
Darling, don't give me shit
'Cause I know that you're full of itYou could come 'round mine
We could drink some wine
In the summertime
It could be quite niceYou should come 'round mine
We could drink some wine
In the summertime
It could be quite nice
