## Opeth

Will their children cry  
When their mother dies?  
And in the autumn of their lives  
Will they feel the same?The longing for me  
Comin' down like hail  
Why did you leave me?Come here inside  
And tell me how  
How in my final days  
I've found her outYour concern  
The signal for us to end our lives  
To wipe beneath the watches  
And you wait foreverThe night comes high your weakness  
Storing trace on your eyes  
So I left you alone  
We all left you aloneLock the children away from harm  
They'll lock all your reason why  
Seeking tenderness with a dagger  
Skin is blocked by the years of trialYou felt abandoned in the fog of flesh  
Sitting in place from the dead  
Awaiting the face of the moon to ascend  
You follow the siren in your head, in your head
