Goodtime Girl

Cobra Killer

No one knew your name or cared at school.
Everybody knows that kids are cruel.
You went from troubled teen and became a beauty queen.
I got mixed up somewhere in between.

Now I'm losing, I'm losing, my mind yeah I'm losing.
My mind is missing, presumed lost.
Now I'm losing, I'm losing, my mind yeah I'm losing.
Don't want you back no matter what.

Everybody wants to know your name now baby,
All I want to do is to forget.
Everybody wants to know your name now angel,
All I want to do is to forget.

You took me in and shook me up inside.
You got the stuff, the stuff that drives me wild.
You wanted headlines; you wanted bright lights;
I was just your cheap and easy ride.

Now I'm losing, I'm losing, my mind yeah I'm losing.
My mind is missing, presumed lost.
Now I'm losing, I'm losing, my mind yeah I'm losing.
Don't want you back no matter what.

Everybody wants to know your name now baby,
All I want to do is to forget.
Everybody wants know your name now angel,
All I got are reasons to forget.

She's cool, she's cruel, and that's how you fall
Under the spell of a goodtime girl.
She's keen, she's mean, who knows where she's been?
Is this farewell to the goodtime girl?

You got a goodtime girl.
You want a goodtime girl.

Now I'm losing, I'm losing, my mind yeah I'm losing.

My mind is missing, presumed lost.

She's cool, she's cruel, and that's how you fall
Under the spell of a goodtime girl.
She's keen, she's mean, who knows where she's been?
Is this farewell to the goodtime girl?
