

# Cool On Your Island

Tori Amos

If you don't treat me better  
If you don't treat me better  
Baby, I'll just run away, ohh yeah  
Baby, I don't know what drives you  
To play these silly games, ohh yeah  
C'mon baby  
I'm much stronger than you know  
Sometimes  
I'm not afraid to let it show  
When will you wake up?  
I want you more than the stars and the sun  
But I can take only so much  
Cool on your island  
It's so cool on your island  
I gotta brand new dress made  
Could it make you wanna try, ohh yeah  
I guess I didn't want to notice  
The stars gone from your eyes, ohh yeah  
C'mon baby  
I'm much stronger than you know  
Sometimes  
I'm not afraid to let it show  
When will you wake up?  
I want you more than the stars and the sun  
But I can take only so much  
Cool on your island  
It's so cool on your island  
We could buy an airplane  
Build a home in the sand  
You could tell your secrets  
I could understand  
And then by the morning  
Comes crumblin' down  
And as your leavin'  
Wait  
I'm much stronger than you know  
Sometimes  
I'm not afraid to let it show  
When will you wake up?

I want you more than the stars and the sun  
But I can take only so much  
Cool on your island  
It's so  
When will you wake up?  
I want you more than the stars and the sun  
But I can take only so much  
Cool on your island  
It's so cool on your island  
It's so cool on your island  
If you don't treat me better  
Baby, I'll just run away  
If you don't treat me better  
Baby, I'll just run
