Rock Star Supernova

Oh, make me over
I'm all I want to be
A walking study
In demonology Hey, so glad you could make it
Yeah, now you really made it
Hey, so glad you could make it now Oh, look at my face
My name is Might Have Been
My name is Never Was
My name's Forgotten Hey, so glad you could make it
Yeah, now you really made it
Hey, so glad you could make it now When I wake up in my makeup
It's too early for that dress
Wilted and faded somewhere in Hollywood
I'm glad I came here with your pound of flesh
No second billing 'cause you're a star now
Oh Cinderella, they aren't sluts like you
Beautiful garbage, beautiful dresses
Can you stand up or will you just fall down? You better watch out
For what you wish for
It better be worth it
So much to die for Hey, so glad you could make it
Yeah, now you really made it
Hey, so glad you could make it now When I wake up in my makeup
Have you ever felt so used up as this?
It's all so sugarless
Hooker, waitress
Model, actress
Oh, just go nameless
Honeysuckle, she's full of poison
She obliterated everything she kissed
Now she's fading somewhere in Hollywood
I'm glad I came here with your pound of flesh You want a part of me
Well, I'm not selling cheap
No, I'm not selling cheap
