

# Black Widow

[Michelle Shocked](#)

Advisory - the following lyrics contain explicit language:

Time is red  
Time is deadly  
Time under glass  
Time will tellThe tale of the widow  
Who walks her web  
Mourning the night  
Mourning the deadDid you lose him to a broom  
Trapped in a corner of the room?  
Or was it under the foot  
Of the marching black boot?Is it the loneliness of night  
That makes you reach out and bite?  
The unawakened flesh  
You lady in distress  
Oh, you poor, poor suffering murderess
