

Silent Night

[Idina Menzel](#)

Silent night, holy night
All is calm, all is bright
Round yon virgin mother and child,
Holy infant so tender and mild,
Sleep in heavenly peace
Sleep in heavenly peace Oh silent night, holy night
Shepherds quake at the sight,
Glories stream from heaven above,
Heavenly hosts sing, sing Alleluia,
Christ, the Savior, is born
Christ, our Savior, is
Christ, our Savior, is
Christ, our Savior, is born (Silent night) Silent night, holy night
Silent night, oh
Silent night, oh
Silent night, oh
When Christ was born, when Christ was born
Silent night, oh
Hm, hm
