The Dam At Otter Creek

Live

When all that's left to do
Is reflect on what's been done
This is where sadness breathes
The sadness of everyoneJust like when the guys
Built the dam at Otter Creek
And all the water backed up
Deep enough to dive [Incomprehensible]We took the dead man in sheets
To the river flanked by love
Deep enough to dive
Deep enough to diveOh, be here now, oh, be here now
Oh, be here now, oh, be here nowJust like when the guys
Built the dam at Otter Creek
And all the water backed up
Backed up, backed up
Deep enough to diveWe took him [Incomprehensible]
In a stretcher made from trees
That had passed in the storm
Leave the hearse behind
To leave the curse behindOh, be here now, oh, be here now
Oh, be here now, oh, be here now
Oh, be here nowWe took the dead man in sheets
To the river flanked by love
We took the dead man in sheets
To the river [Incomprehensible]Oh, be here now, oh, be here now
Oh, be here now, here, oh, be here now, here
Oh, be here[Incomprehensible]
We took the dead man in sheets
To the river [Incomprehensible]
[Incomprehensible]
