

Troublemaker

Akon & Sweet Rush

All steady up in the club, just swagging doing my thang
Popping bottles with models and just watching them drank
Partying so hard, the ladies don't want it to end
They looked at me and said, I heard that you're a heartbreaker
Baby I'm a troublemaker, I heard that you're a heartbreaker
Baby I'm a troublemaker, I heard that you're a heartbreaker
Baby I'm a troublemaker See I'm that type of guy you won't love
I'm that type of guy you won't cuff
I'm that type of guy you daddy won't let go out
'Cause he thinks I sell drugs I'm that type of guy that will save ya
I'm that type that will call you later
Won't be around to give you that time
Gotta get on the grind and get to that paper that I can do
Gotta keep my baby girl laced up in the latest and the
fliest suits
Never want for nothing, let's get caked up
Hold it down, that's all you gotta do
Then I walk up in the place with a pocket full of money
My brother like I are the dude
Stepping out with the finest suits, look at me now
All steady up in the club, just swagging doing my thang
Popping bottles with models and just watching them drank
Partying so hard, the ladies don't want it to end
They looked at me and said, I heard that you're a heartbreaker
Baby I'm a troublemaker, I heard that you're a heartbreaker
Baby I'm a troublemaker, I heard that you're a heartbreaker
Baby I'm a troublemaker See I'm that type of guy that likes kissing
I'm that type that will pop the clip and
I'm that type of guy that put you in your place
If you bougie just start tripping I'm that type that will let you go
I'm that type that will let you know
That everywhere I go, I can find a pretty ***
But there ain't too many know how to get that dough
That's the type of girl I want around me
Even though I'm a with her, make a man feel free
Roll with the fellas, even hold my cheese
Look like something you would see on TV
She don't mind climbing up that ladder
Similar to the words, it don't matter
But this time they wanna see us together
Look at us now
All steady up in the club, just swagging doing my thang

Popping bottles with models and just watching them drank
Partying so hard, the ladies don't want it to end
They looked at me and said, I heard that you're a heartbreaker
Baby I'm a troublemaker, I heard that you're a heartbreaker
Baby I'm a troublemaker, I heard that you're a heartbreaker
Baby I'm a troublemaker You're not for sure
Even though I wanna take you everywhere I go
Because of you, all the girls is staring, taking notes
And I realize being with you girls brings more girls
And that's just what I'm attracted to And I'd rather go all the way
Love her long time till the break of day
I won't let her leave my bed
Till she sees the Color Purple like Annie Mae Now she wants to start holding on me
Like whatever she's smoking on
I'll be long gone before you can say
Look at me now All steady up in the club, just swagging doing my thang
Popping bottles with models and just watching them drank
Partying so hard, the ladies don't want it to end
They looked at me and said, I heard that you're a heartbreaker
Baby I'm a troublemaker, I heard that you're a heartbreaker
Baby I'm a troublemaker, I heard that you're a heartbreaker
Baby I'm a troublemaker
