

# Kisses In The VIP

[Bei Maejor](#)

i am in the back of the club, just me and you girl  
i know its fun but, but you cant take it no longer  
so we're lookin for a little love in all the wrong places  
and we're both a little wasted, been drinkin nuvo all night  
i dont know, i dont know, how i let it get this far  
out of control, out of control, slow dancing in the dark  
under the strobe lights, there we are  
runnin around town with somebody else, girl  
see i know its hard, we both know maybe me and you should  
slow down, coz girl your just so sexi,  
everything that you do is makin me want you,  
right now see i just came here to chill but,  
now im with this dangerous girl  
getting kisses in the V.I.P  
climbing all on top of you, and you on top of me  
we're doing things that i just cant believe  
one hands holding your face, other hands holding your waist  
girl, this cant be right, what are we doing?  
we dont care if somebody see's  
what are we doing we dont care coz we both recieve  
kisses in the V.I.P  
when it feels this right,  
it must be wrong  
listen, we cant go on  
you see its like, im sorry we just cant  
hold on stop, stop, stop  
you gon get lipstick on my shirt  
everything feels (upside down)  
you know like my whole world feels (upside down)  
yehh listen  
slow down, lets just take it step by step,  
think it overlets not rush into this (now)  
we're blinded by our passion,  
like we dont know what happened  
because getting kisses in the V.I.P  
climbing all on top of you, and you on top of me  
we're doing things that i just cant believe  
one hands holding your face, other hands holding your waist
