

In My Mind

Dynoro & Gigi D'Agostino

In my mind, in my head
This is where we all came from
The dreams we have, the love we share
This is what we're waiting for
In my mind, in my head
This is where we all came from
The dreams we have, the love we share
This is what we're waiting for
In my mind, in my head
That is where...
We all from...
In my mind, in my head
That is where...
We all from...
In my mind, in my head
This is where we all came from
The dreams we have, the love we share
This is what we're waiting for
In my mind, in my head
That is where...
We all from...
In my mind, in my head
That is where...
We all from...
In my mind, in my head
This is where we all came from.
The dreams we have, the love we share
This is what we're waiting for
In my mind, in my head
This is where we all came from
The dreams we have, the love we share
This is what we're waiting for
In my mind, in my head
That is where...
We all from...
In my mind, in my head
That is where...
We all from...
In my mind, in my head
This is where we all came from
The dreams we have, the love we share
This is what we're waiting for
In my mind, in my head
That is where...
We all from...
In my mind, in my head

That is where...
We all from...In my mind, in my head

That is where...

We all from...

In my mind, in my head

That is where...

We all from...
