Rest My Soul

Tim Timmons

Rise, my soul arise, God's in control, You're not alone.
Rise into His life, His plans are good, You're on his side.God of perfect peace, you are here with me, on this raging sea it's true.
You won't let me go, you're my joy, my hope, I will rest my soul in you.
(2 measure break)Sing, my soul now sing, for he is strong, and you are weak
Yeah, Sing with everything, your savior's praise wave after wave.God of perfect peace, you are here with me, on this raging sea it's true.
You won't let me go, you're my joy, my hope, I will rest my soul in you.
Yes, I will rest my soul in you.(bridge, 4 measures)I will call upon your name, you're above my circumstance, all my life is in your hands.
I will call upon your name, you're above my circumstance, all my life is in your hands.
I will call upon your name, you're above my circumstance, all my life is in your hands.
I will call upon your name, you're above my circumstance, all my life is in your hands.Ohhh, God of perfect peace, you are here with me, on this raging sea it's true.
Ohhh, You won't let me go, you're my joy, my hope, I will rest my soul in you.
Yes, I will rest my soul in you.
(2 measure break)
Yes, I will rest my soul in you.
Yes, I will rest my soul in you. (slowly)
Yes, I will rest my soul in you.
