

invisible wounds

Fear Factory

Dark bodies floating in darkness
No sign of light ever given
Imprisoned in a world without a memory Unconscious, or am I conscious?
Cut from the heart I am part of
Sometimes I feel as though I'm frozen in Heaven And I saw my own face in the dark and loneliness
And I saw my own face like a spark frozen in Heaven In dreams I see myself flying
Closer to the sun and I'm climbing
Tried to touch the sun
But the brightness burned my eyes Unconscious, or am I conscious?
Fell from the sky like a star
Sometimes I feel as though I'm frozen in Heaven And I saw my own face in the dark and loneliness
And I saw my own face like a spark Unconscious, or am I conscious?
Fell from the sky like a star
Sometimes I feel as though I'm frozen in Heaven And I saw my own voice in the dark and loneliness
And I saw my own voice like a spark frozen in Heaven Dark bodies floating in darkness
Dark bodies floating in darkness
Dark bodies floating in darkness
